just to say Madge thought
myra down on Friday afternoon
for the 1/- you sent her &
cannot understand her saying
she was so ill & have never
seen her look better in her
life & asked her if she would
stay in tea but no she would
not. Madge tried to press
her said she would come for
her after tea but no thank you
she would not stay & don't suppose
she would have come at all if
she had not wanted the money.
never mind I shall not be
seeing her again for a long
